

OFFERING LOCAL CONTRACT BREWING SERVICES

— THE BENEFITS

BREWED TO YOUR DESIRE

Contract brewing services tailored to your specific needs.

LOCATED IN PORTLAND

In-state location easily allows for you to brew with us and oversee the production of your product.

EXPERIENCED IN CRAFT

Our brewers have over 65 years of combined experience in closed and open fermentation brewing and cellaring.

CONFIDENTIALITY ENSURED

Privacy is of utmost importance when it comes to our clients. Recipes are kept 100% confidential.

RECIPE SCALING

Got a recipe that needs scaling? We provide scale up services.

LARGE VOLUME BENEFITS

Two silo storage units and large volume negotiated hop contracts reduce the cost per gallon.

BREWING VARIETY

Currently licensed to brew: beer, cider and seltzers in batch sizes ranging from 24bbl to 44bbl per SKU.

REDUCED PACKING COSTS

Label contracts cut packaging costs.

YEAST OPTIONS

We offer a wide range of yeast options.

AUTOMATED CAN PACKER

Designed to fill: 4pk, 6pk, 12pk, 15pk and 24pk packages for 12oz regular and slim cans along with 16oz cans.
